

## **Telford Offshore – Middle East Status Update**

Dubai, United Arab Emirates, 2 March 2026 – Telford Finco (the “Company” or “Telford Offshore”) confirms that the company has activated its crisis management protocols and implemented precautionary measures in alignment with guidance from local authorities and in close coordination with clients.

The measures include the activation of local and corporate response teams, implementation of local emergency protocols and suspending travel and crew changes to and from concerned countries. Safety and security of our people and also the security of our vessels, remain the absolute priorities.

As at today’s date, we can confirm that all personnel, both onshore and offshore, are safe and accounted for, and that all 4 vessels in our regional fleet are safe and secure.

The Company currently has vessels located in the United Arab Emirates and Qatar, and regional offices in Dubai and Doha. Our Telford 31 and Telford 33 vessels are both operational and on-hire, working offshore Qatar. Our Telford 25 and Telford 34 vessels are both in UAE ports, undergoing contract preparation works.

Telford Offshore is an international offshore service provider delivering cost-effective construction and project management solutions for the oil and gas industry. The Company continues to focus on, and deliver, satisfactory profitability and returns on capital with a disciplined risk profile, supported by high utilisation and a strong backlog of time charter contracts with blue chip customers in our core regions.
