About Telford Offshore

Telford Offshore is the world’s largest owner and operator of DP3 multi-purpose support vessels for the oil and gas industry. The company’s fleet comprises five modern owned vessels, Telford 25, Telford 28, Telford 30, Telford 31 and Telford 34, as well as Telford 33, on a long-term bareboat charter. Their multi-purpose capabilities enable a single vessel to undertake diverse operations. All vessels in the fleet are able to provide accommodation services, construction support and dive support. In addition, the Telford 34 is capable of carrying out pipelay. For more information, please visit www.telfordoffshore.com.
